Partnership opportunities

Companies + Communities = Wise investments

The City of Lincoln Recreation Department hosts entertaining community events each year creating community through people, parks & programs.

Outdoor community events build connections between residents, deter inappropriate activities and provide residents the opportunity to feel safer in their community, thus encouraging future visits, participation and community connection. Collaboration with City of Lincoln events helps promote your organization and creates positive contributions and connections to community.

We invite YOU to join the FUN!

Donations collectively have an impact on our community regardless of the size, your partnership makes a difference.

City of Lincoln Recreation

Our programs reach over 2000+ youth in our Lincoln community each year through community classes, youth sports, camps and aquatics. Our events help support our passion for recreation programs creating inclusion for ALL community members to take part and participate.
